ABOUT US

Powering Digital Growth, End to End

Zayvora Tech is a Pakistan-based, globally positioned, enterprise-ready digital solutions company. We help businesses transform their digital presence and scale online without the hassle of building and managing their own tech teams.

OUR PROMISE

One trusted partner for everything digital—from brand building to business automation.

WHY US

You're Struggling With These Challenges?

Are you running a business that:

- Still operates mostly offline or manually
- Has digital tools but doesn't know how to grow
- Has a great idea but needs help turning it into a real business.
- Has no online presence yet
- Can't hire or manage a tech team due to costs
- Wants to start digital but doesn't know where to begin

We Solve All of These Problems.

VISION & MISSION

Built to Empower. Designed to Scale.

Our Mission

To empower businesses with innovative digital solutions that simplify operations, strengthen brand identity, and drive long-term growth — delivered with transparency, creativity, and commitment.

Our Vision

To become the leading global platform that eliminates online business stress by professionally handling complete digital presence, ecommerce operations, marketing, and growth for businesses worldwide.

CORE SERVICES

Everything Your Business Needs — Under One Roof

◆ **Web & Software Development**

Custom websites, e-commerce stores, and software dashboards built for performance and ease of use. We create digital tools that work as hard as you do.

◆ **Creative & Branding**

Professional logos, visual identities, graphic design, and video production that make your business stand out.

◆ **Social Media & Content Management**

Daily management, posting, engagement, and growth strategies for all platforms

◆ **E-Commerce Setup & Optimization**

Complete Shopify and multi-platform store creation, management, and daily operations.

◆ **Digital Marketing & Growth**

Data-driven social media management, performance ad campaigns (Meta, TikTok), and content strategies that turn browsers into buyers.

◆ **Design & User Experience**

Beautiful, intuitive designs for all platforms—web, mobile, and social media.

◆ **Business Automation & IT Solutions**

Automating manual processes, managing IT systems, and keeping your business running smoothly online.

◆ **Business Consulting & Strategy**

Expert guidance to grow your business using technology and best practices.

WHY CHOOSE US

The Zayvora Advantage

All-In-One Solution

Every digital service you need — from design to delivery — managed under a single, unified team.

Dedicated Account Manager

A single point of contact who knows your brand inside out and ensures nothing falls through the cracks.

Transparent Reporting

Clear, honest performance reports so you always know exactly where your investment is going.

Scalable & Affordable

Flexible retainer models that grow with your business — enterprise quality without the enterprise price tag.

✔ Lifetime Support — We don't disappear after launch. Your success is our long-term commitment.

ℹ Multi-Platform Expertise — From Instagram to Shopify, TikTok to custom CMS, we speak every digital language.

HOW WE WORK

FLEXIBLE MODELS FOR EVERY BUSINESS

◆ Partnership Model

Work with us as a true partner. We grow together based on your success.

◆ One-Time Projects

Short-term services for specific needs—website, campaign, branding, training.

◆ Service-Based Payment

Monthly retainers for ongoing management and growth of your digital presence.

◆ Hybrid Model

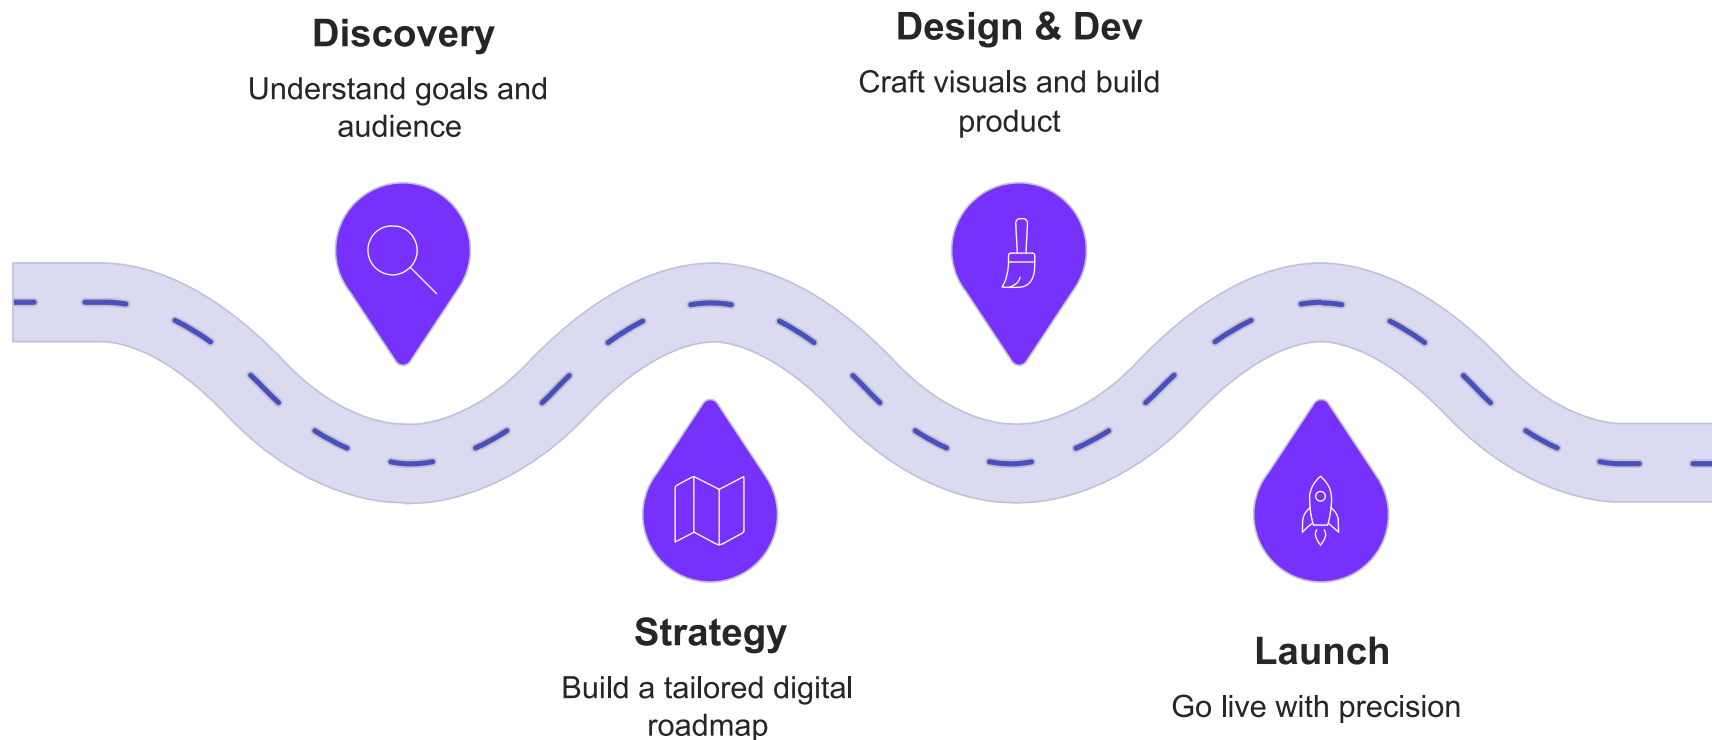

Mix and match services based on what your business needs.

We're flexible because every business is different

WORK PROCESS

How We Bring Your Vision to Life

Every engagement begins with deep discovery and ends with measurable results. Our process is built for clarity, speed, and exceptional outcomes at every stage.

ECOMMERCE & MARKETING SOLUTIONS

Scale Your Store. Dominate Your Market.

Store Setup & Management

End-to-end Shopify and multi-platform store creation, optimization, and daily operations management.

Performance Ad Campaigns

Meta and TikTok ad strategies that target the right audience and convert browsers into loyal buyers.

B2B & B2C Connections

Strategic business development support that opens doors and builds revenue-generating partnerships.

Content & Copywriting

High-converting copy and creative content tailored for every platform, audience, and goal.
